[Dictionaries of Linguistics and Communication Science (WSK) Online]

Hundreds of researchers from around the world have contributed to the *WSK Online* project, ensuring that the lexicographic output adheres to the most rigorous academic standards. The articles are in German (with English translations of the terms and definitions) or in English (with German translations of the terms and definitions).

More than 13,600 articles are already available, new entries are added during two yearly updates. Further subject areas are in preparation. When finished, this unique project will contain some 20,000 entries. *WSK Online* is scheduled for completion in 2025.
