NOW IN YOUR LIBRARY

WORLD BIOGRAPHICAL INFORMATION SYSTEM ONLINE

DATABASE

COMPREHENSIVE
A digital collection of 8.5 million original biographical articles on 6 million historical personalities, published in reference works from the 16th century until today.

USER-FRIENDLY
Three search options (Basic, Biographical and Bibliographical Search) allow for a simple and precise research in the database on an appealing and intuitive interface.

INTERNATIONAL
Regional archives from all over the world: biographical sources from North America, Spain, Portugal, South America, France, Italy, UK, the Benelux countries and Germany have been added in the 2017 update.
